CERTIFICATIONS

React.js Diploma — T-Square Academy | Laravel Diploma — T-Square Academy |
Egypt Digital Pioneers Initiative (DEPI) — Front-End Development Track |
National Telecommunication Institute (NTI) — Front-End Development Program

FEATURED PROJECTS

Portfolio Management Platform, *Technologies: Next.js, TypeScript, Supabase, Tailwind CSS, Authentication, Dashboard, CRUD Operations, Vercel* | *Live Demo: <https://ebrahim-amer.vercel.app>*

- Designed and developed a full-featured portfolio management platform using Next.js and TypeScript.
- Implemented secure authentication and authorization using Supabase Authentication.
- Built a protected admin dashboard for managing projects, skills, certifications, and portfolio content.
- Developed CRUD functionality integrated with Supabase Database.
- Implemented protected routes and secure content management workflows.
- Optimized application performance and responsiveness across desktop, tablet, and mobile devices.
- Deployed and maintained the application using Vercel.

Real Estate Marketplace Platform, *Technologies: React.js, Redux Toolkit, REST APIs, Axios, React Router, Tailwind CSS* | *GitHub: <https://github.com/EbrahimAmer207/final-react>*

- Developed a responsive real estate marketplace application using React.js.
- Implemented Redux Toolkit for efficient application state management.
- Integrated REST APIs to retrieve and display dynamic property data.
- Built reusable and scalable UI components following component-based architecture.
- Applied responsive design principles and performance optimization techniques.

E-Commerce Platform, *Technologies: React.js, Redux Toolkit, REST APIs, Axios, Bootstrap* | *GitHub: <https://github.com/EbrahimAmer207/Final-project>*

- Developed a modern e-commerce web application using React.js.
- Implemented API integration and dynamic product rendering.
- Managed application state using modern React development practices.
- Built reusable components and responsive user interfaces.
- Applied clean code principles and scalable frontend architecture.

PROFESSIONAL TRAINING

React Front-End Developer Trainee, *Egypt Digital Pioneers Initiative (DEPI)* 07/2025 – 12/2025

- Developed responsive and scalable React applications using modern frontend technologies.
- Worked with Redux Toolkit, REST APIs, Git, and GitHub.
- Applied debugging, testing, and performance optimization techniques.
- Collaborated within Agile development environments.
